

CREATE A TEAM AS A TEAM CAPTAIN

1. Visit <https://thepurduechallenge.com/>.
2. Click the button on the right side that says “REGISTER.”
3. If you already have an account, type in your password. Otherwise, click “Start new registration.” For the first question, select either “Student” or “Nonstudent.” Complete the rest of the registration form, clicking the green “Continue” button at the bottom of each page.
4. When you get to the “Teams” section, select “Create new team” and select which category you wish for your team to compete in. Type in your team name, and click the checkbox that says “The team captain will be able to see various details of my registration, including my contact information.”

And, don’t forget—teams compete against one another in the following categories:

- a. Community Challenge—top community fundraising team
 - b. Leroy Keyes Challenge—top Purdue faculty/staff fundraising team
 - c. Tyler Trent Student Challenge—top Purdue student fundraising team
