What from your experience has been a good time for send off -- what is the orientation this year (working backwards), Rajesh/Seattle

Late May/early June before students head off to internships, or early August between internship & returning to campus.

Continuing on send off, can we get a rsvp or can we include a link to sign up for bringing an item?

We can set it up for people to include what they want to bring, we have a club that breaks it down by last name (i.e., A-E brings an appetizer, F-N brings a side dish, etc.)

We can also request that they contact the club with what they want to bring. We can set up a call to go through some options.

Restaurants for our sendoff

From Cheryl Moreira to Everyone:

We use a local covered park pavilion

From Lauren Tomlinson to Everyone:

We also bring a speaker of a recent graduate to talk to the group. Someone within the last 0-5 years out of Purdue.

From Lauren Tomlinson to Everyone:

Whataburger...that's BRILLIANT for a location. A+ for creativity San Antonio!

From Cheryl Moreira to Everyone:

How do you decide who gets the \$250 scholarship? A raffle ticket or something?

From Rajesh Subramanyan to Everyone:

Thanks everyone for sharing the best practices on send-off.

From Alex Dechelette to Everyone:

Thank you!

From Mary Lou Siefker to Everyone:

Everyone is given a ticket when they sign in. We have a separate jar for incoming and current students.

From Randy Ramsey to Everyone:

Like San Antonio we are excited with 5 students in Tucson. Since we have a small group we go bowling which is a really casual environment to network

From Shawn to Everyone:

Nashville TN Club averages about 30-40 for our send-off. We usually do them the first weekend of August.

Hi Randy and SAZ! (Also I'm sorry I owe you an email, its been busy at work this week)

From Lauren Tomlinson to Everyone:

Phoenix normally has 15-20. Last year we had 50. It just depends on the numbers of students accepted, schedules, & make sure you emphasize that the PARENTS also get the emails in the notes.

From Mary Lou Siefker to Everyone:

We also have Purdue swag for all the student attendees. We draw all the tickets to give out shirts, hats, various Purdue items. They choose what item they want from tables with all the items. We always plan for at least 30 plus items for the students to pick from. Both incoming and current students receive the swag.

From Lauren Tomlinson to Everyone:

Yayyyyyy Leanne! Thanks for working on making these changes :)

From Douglas Evans to Everyone:

Maybe also include an option for parent of local students who have graduated but, the parents want to keep engaged with the local club. We have some of those

From Lauren Tomlinson to Everyone:

If you could do a quick video recording and post on the Leaders Facebook page that'd be great. Would love to tag to Phoenix board to see if they have any other idea/requests with the new form.

I'm planning on doing one of the trainings on the leadership group as a Live event. Then it will be captured there for future reference.
