Boilermakers,

As we look ahead with excitement to the possibilities of a new year, it's important to express our appreciation for those who have supported our aspirations of operating in a championship-caliber manner in all respects. You have helped us create a first-class environment where student-athletes can prosper in both academics and athletics, allowing them to pursue and achieve two impactful dreams simultaneously. We are ever grateful for the commitment you have shown. Few universities have a community as generous as ours, which is why we are confident that Purdue will adapt and thrive as the landscape of college athletics continues to evolve. In the face of challenge, there is one claim that remains ever true: Boilermakers do not waver in the pursuit of excellence.

Our student-athletes continue to be a source of pride as they represent the old gold & black in the classroom, in competition, and in our community. Collectively, our Boilermakers achieved a 100% placement rate upon graduation last year, in many cases the result of active engagement with members of the 1869 Society and our Empower Student-Athlete Development team to prepare for successful post-Purdue transitions. Our student-athletes continue to excel in achieving Academic All-Big Ten honors, with 240 spring and fall individuals earning the recognition – including many repeat honorees.

Competitively, we are focused on enhancing the success of our teams across the board. While we certainly have teams and individual student-athletes who are achieving at a high level and receiving much deserved conference, regional, and national recognition, we feel strongly that the foundation is being laid for much broader and more notable accomplishments in the years ahead. Talented new coaching staffs are in place for a number of our sports, recruiting efforts are trending upward and, thanks to your support, our ability to provide a second-to-none competition environment and experience has never been better. As the expanded Big Ten and all of college athletics becomes increasingly challenging, it's imperative that we continue to raise our expectations and level of achievement, which I'm confident we will do.

Beyond directly supporting the efforts of our student-athletes, we are thankful that we've been able to enhance several of our athletics facilities the past year, with completion of our state-of-the-art nutrition center, fundraising for the Pete Dye Golf Clubhouse, and planning for the next phase of improvements to Ross-Ade Stadium on the new year calendar. We've also launched the Forging Ahead campaign, with the intention of more comprehensively equipping our coaches and student-athletes with the mental and physical tools and resources needed to achieve success. All these initiatives are fully funded through donor support and will play an integral role in furthering our ability to develop champions and offer first-class game day environments.

It is an honor to serve Purdue Athletics alongside our entire team who work tirelessly on behalf of all Boilermaker student-athletes. I look forward to celebrating our successes with you this year.

Boiler Up!

Vice President and Director of Intercollegiate Athletics

The generosity of John Purdue Club members and Purdue Athletics supporters has allowed the department to move forward with a number of impactful facility renovations over the past two years. These renovations enhanced the department's ability to attract and retain high caliber student-athletes, build upon the current student-athlete experience, and create game day experiences that are second-to-none for fans and supporters.

In tandem with these facility projects, support toward the John Purdue Club scholarship fund surpassed \$13.5 million for the second straight year, allowing the department to cover the entire cost of the annual athletics and academic support bill that Purdue Athletics pays to the University.

As we look toward the future, we need to continue keeping Purdue Athletics ahead of the curve nationally, together.

FOR PURDUE ATHLETICS, IT'S ALWAYS BEEN ABOUT COMPETITIVE EXCELLENCE.

As we've worked together to continue providing the best possible resources to prepare our student-athletes for success beyond graduation, your support remains integral to our mission in helping them succeed.

Without your contributions, we would be unable to continue providing experiences such as student-athlete internships at the John Purdue Club, connections to members of the 1869 Society, increased investments in mental health services, the continued enhancement of the Purdue Athletics brand – digitally and the in-venue fan experience — and so much more.

DID YOU KNOW?

John Purdue Club membership starts at \$25 for New Professionals! Current Purdue seniors and Boilermaker fans who have graduated within the last five years can now join our New Professionals group and invest in the John Purdue Club. This program is aimed at allowing recent graduates the opportunity to stay connected to Purdue Athletics through various events, season tickets, and networking opportunities. New Professionals have the opportunity to provide scholarships to the over 500 Purdue student-athletes who rely on generous donations to represent our school in competition.

John Purdue Club members helped keep me at Purdue and focus on my athletics and academics, so I was very touched to be included in the 2024-25 Member Guide. I received a scholarship that helped me at a time when I had very little, quite literally changing my life. Without all the support I received from Purdue, there was no way I would have been able to afford a proper education or be set up for the career I have now. So, for that, I am ever grateful!"

- Isaiah Martin, Track & Field '22

Your Support Has Helped Set Boilermaker Alumni Up For Success:

Teagan Jones ('22)

Women's Soccer

Assistant Project Manager at Lenex Steel Company

Jones was a decorated Purdue student-athlete as an Academic All-Big Ten two-time award winner and freshman starter for the Purdue Women's Soccer team. Jones works as an Assistant Project Manager at Lenex Steel Company. Lenex is a leader in steel fabrication with the capacity to complete projects of varying levels of difficulty, from hospitals to office buildings and warehouses. Jones' position with Lenex includes working with fabrication shops, steel erectors, general contractors, and engineers/detailers to successfully fabricate and erect new steel structures. Jones says she has found that working at Lenex has allowed her to use many of the skills she obtained during her time as student-athlete. Jones is proud to work on a number of projects for Lennex, including hospital infrastructure in the Indianapolis area and a renovation at Churchill Downs.

Parker Filius ('23)

Wrestling

Project Engineer

Filius, Purdue's 61st All-American, had an impressive finish in the 2023 tournament, earning 7th place at 141 pounds. He also won the 2023 Big Ten Medal of Honor and is a four-time NCAA qualifier and Big Ten place winner. Additionally, he is the third wrestler in program history to be a four-time NWCA Scholar All-American. Currently, Filius is working as a Project Engineer for Dick Anderson Construction in Sheridan, Wyoming. He is involved in some exciting projects, including constructing a GMC truck dealership and renovating the Advanced Manufacturing and applied sciences Building at Sheridan College. On a personal note, Filius got married to his long-term girlfriend, Ellie Tate, in August. The ceremony took place in Great Falls, Montana, and many members of the Purdue Wrestling program were there to celebrate their special day.

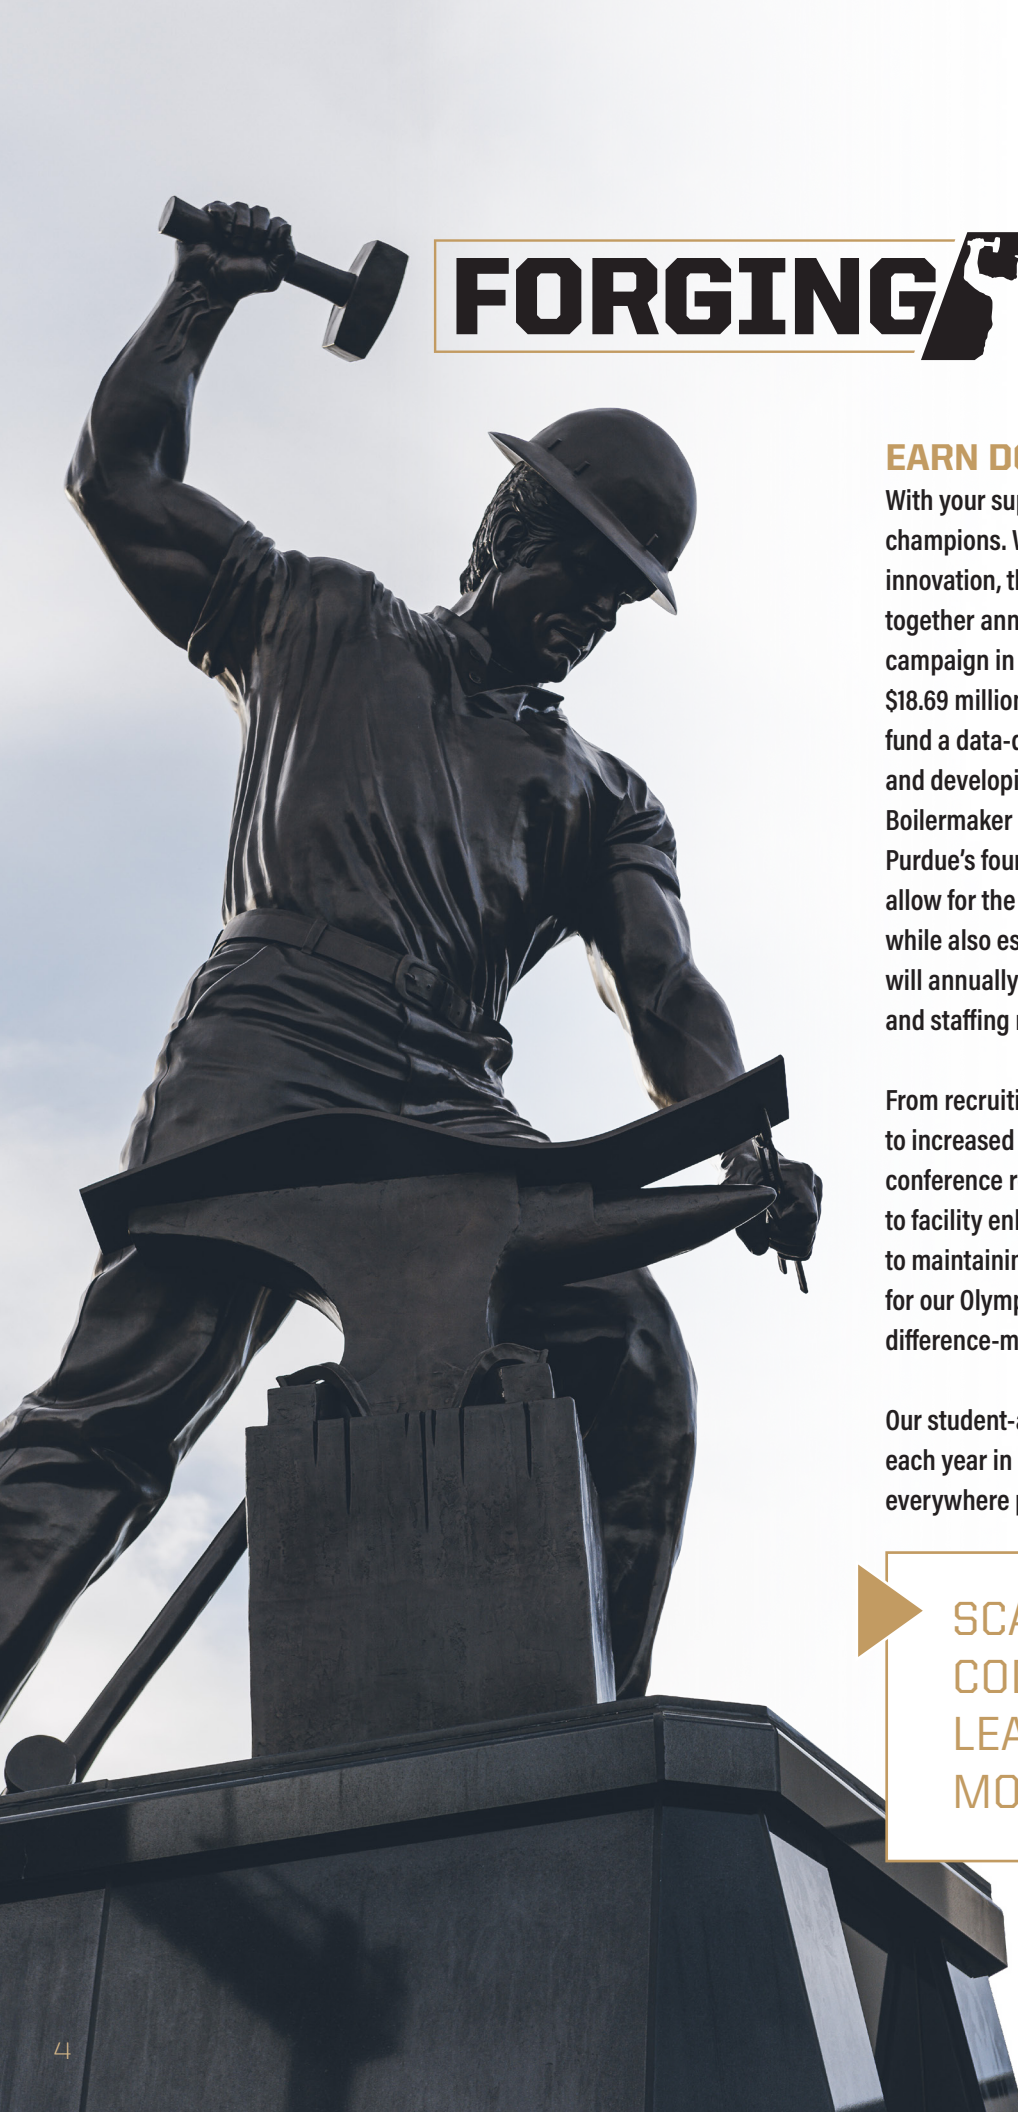

Jayla Ellis ('22)

Women's Track & Field

Engineer Design Verification Lead

Ellis, a talented athlete, holds the impressive rank of number 7 in Purdue's indoor pentathlon history, with an impressive score of 3,639. As a professional, she currently serves as a Design Lead at Eli Lilly, where she plays a crucial role in the delivery of a new manufacturing facility in Lebanon, Indiana. Her responsibilities include overseeing all aspects of the facility's construction, from approving diagrams to ensuring compliance with building codes and working closely with contractors to ensure the smooth operation of equipment. Her role is a challenging and multidisciplinary position that involves collaborating with various stakeholders.

FORGING AHEAD

EARN DOUBLE PRIORITY POINTS

With your support, Purdue Athletics is developing champions. With an ever-present eye toward innovation, the John Purdue Club and Purdue Athletics together announced the launch of the Forging Ahead campaign in September 2023. Forging Ahead is an \$18.69 million fundraising campaign designed to fund a data-driven approach to recruiting, retaining, and developing championship teams across all 18 Boilermaker sport programs. Paying homage to Purdue's founding in 1869, the fundraising goal will allow for the launch of the initiative in the near term while also establishing a substantial endowment that will annually produce capital to support programming and staffing needs.

From recruiting prospective student-athletes, to increased expenses due to an everchanging conference roster, to job placement upon graduation, to facility enhancements and improved fan experience, to maintaining scholarships and operational support for our Olympic sport programs - your support is the difference-maker.

Our student-athletes represent the Old Gold & Black each year in competition and make Boilermakers everywhere proud.

FOCUS ON BEING THE BEST VERSION OF PURDUE

The NCAA is facing many challenges with the revolving door that has become the transfer portal, expanded conferences, and subsequent increases in travel and nutrition costs. Forging Ahead will help Purdue offer a student-athlete experience that is second-to-none, keeping our talent in West Lafayette and disinterested in the transfer portal. It's on us to rise to the occasion, as Boilermakers do, and support our student-athletes, coaches, and staff with the resources they need to continue operating as a championship-caliber organization.

PARTNERSHIP WITH THE INDUSTRY LEADING BEHAVIORAL ANALYSIS AGENCY: PROFILE

Purdue University has always been a premiere hub for world-class innovation. We are now leading from the front once again as the first athletics organization in the Power 5 to introduce behavioral analysis programming at a full scale across all varsity programs. In partnership with a Boilermaker football alumni owned and operated behavioral analysis agency called Profile, Purdue Athletics will ensure our coaches and staff identify top-tier athletes who are meant to be Boilermakers for life. Profile has an outstanding track record in helping the Purdue Men's Basketball and Purdue Wrestling team achieve elite performance through identifying new tools and techniques to develop champions. Team results include multiple Big Ten Conference championships, multiple weeks ranked as the No. 1 team in the nation, numerous All-American accolades, several NBA Draft selections, and a consensus National Player of the Year. Given the success the men's basketball and wrestling programs have seen after partnering with Profile, Purdue Athletics has chosen to expand the partnership by offering Profile's tools to all 18 Boilermaker sport programs.

BOILERMAKERS BEYOND BORDERS

For years, we have heard a rallying cry from student-athletes who would like to expand their worldview through study abroad programs. Until now, we have been unable to fulfill these requests due to the demands of sport schedules and budgetary restrictions.

MORE

New in 2024, we are pleased to announce the first-ever Boilermakers Beyond Borders travel program. This project aims to provide culture immersion experiences for student-athletes while giving back to underserved communities in foreign countries.

STUDENT-ATHLETE DINING FACILITY

The student-athlete dining facility will serve as a full production kitchen with an outdoor patio and 150-person capacity. With an architectural style complementary of the Kozuch Football Performance Complex, the facility will also include a demonstration kitchen to serve as a nutritional education space.

Nutrition plays a critical role in achieving peak performance. However, food costs continue to rise due to economic factors beyond our control. Purdue is the last school in the Big Ten Conference to build a student-athlete dining facility. With this new addition comes new financial expense. Your support in providing student-athletes with three meals a day and on-the-go protein options will play an integral role in helping them stay fueled, hydrated, and ready to compete at the highest level from West Lafayette, the West Coast, the East Coast, and everywhere in between.

MONTHLY PAYMENT PLANS

Your annual contribution to Purdue student-athletes does not have to be made all at once. Give us a call so we can set up a monthly contribution that allows you to take full advantage of the benefits at your total giving level for the membership year (May 1 – April 30).

MATCHING GIFTS

Many companies participate in a matching gift program, allowing you to increase your contribution to the John Purdue Club and earn more priority points at no additional cost to you. Please research whether your employer will match your gift toward athletic scholarships or facility projects. It is a benefit to you and our student-athletes!

STOCK GIFTS

Stock gifts can help you avoid capital gains tax. Please be sure your stock gift includes your name and contact

information. To learn more about specific transfer options and to obtain the Gift of Security Transfer Notification form, please contact your Boilermaker Athletics Representative.

PLANNED GIFTS

Leaving a legacy gift is encouraged because it provides a lasting contribution to Purdue Athletics. Planned gifts may include will provisions or the establishment of a trust with the John Purdue Club as a beneficiary. Irrevocable deferred gifts earn priority points immediately.

REFERRAL PROGRAM

You can earn additional priority points (1 point / \$100 of new member’s first gift) by referring new members to the John Purdue Club. We know we can continue to build upon our 10,000+ strong by engaging Boilermakers who are already connected to our current members.

BOILER UPGRADE

Our annual membership deadline is April 30, 2024. When you upgrade to the next membership level for the 2024-25 membership year, you will receive select benefits from the level above.

For Example: If you are an Olympian member and upgrade to Hall of Fame, you will receive select benefits at the Champion level – including the ability to join in on a JPC Champion Travel experience!

Please note some benefits exclusions apply. Priority access to tickets and parking will still be correlated to your cash giving level. If you have questions about the Boiler UPgrade, please contact your Boilermaker Athletics Representative.

PRIORITY POINTS

Priority points are used to determine ticket priority for seating assignment , ticket requests for the NCAA and Big Ten Tournaments and Football Bowl Game, season ticket upgrades, premium seating, allocation of spots on JPC travel, and more. During allocation, members will be ranked based upon total priority points and tickets are allocated in that order. Parking passes are allocated based first on giving level, then by priority points within that level. We are now offering an opportunity to earn double priority points when giving to the Forging Ahead campaign. The categories in which you can earn points are on the following page.

- **JPC MEMBERSHIP BONUS:**
all active members are awarded 50 points upon joining the John Purdue Club
- **FORGING AHEAD:**
2 points/\$100 for all cash gifts made throughout the course of the Forging Ahead campaign; Donors who sign at least a \$50,000 cash pledge (that can be paid off over five years) will receive 1 priority point per \$100 upfront. In addition, 1 priority point per \$100 will be awarded after each pledge payment is received.
- **CUMULATIVE CONTRIBUTIONS:**
1 point/\$100
- **IRREVOCABLE DEFERRED GIFTS:**
1 point/\$500
- **PREMIUM SEATING:**
1 point/\$100 of the license fee
- **FOOTBALL BOWL TICKET PURCHASES:**
2 points/year
- **REFERRAL OF NEW JPC MEMBERS:**
1 point/\$100 of new member’s first gift
- **CONTINUOUS YEARS OF JPC MEMBERSHIP:**
2 points/year
- **FOOTBALL SEASON TICKET HOLDER STATUS:**
3 points/year
- **MEN’S BASKETBALL SEASON TICKET HOLDER:**
3 points/year
- **WOMEN’S BASKETBALL SEASON TICKET HOLDER:**
3 points/year
- **VOLLEYBALL SEASON TICKET HOLDER:**
3 points/year
- **BASEBALL SEASON TICKET HOLDER:**
3 points/year
- **PRESIDENT’S COUNCIL MEMBERSHIP**
(\$1,000 in total donations to the University for the year): 3 points
- **PURDUE ALUMNI ASSOCIATION MEMBER:**
3 points/year
- **VARSITY P MEMBERSHIP:**
4 points upon joining Varsity P

These categories are summed to determine your total points.

1869 SOCIETY

WHAT: The 1869 Society is a corporate giving society with businesses of all sizes that are committed philanthropic supporters of the greatest areas of need for Purdue Athletics. Join us as one of the first 1,869 participants to be considered a Founding Member.

WHY: University enrollment is at an all-time high of 52,211 students, and Purdue Athletics has been one of the primary drivers of its growth and popularity. Annually, approximately one million alumni, fans, and friends spend time in athletic venues. In order to continue this, we have created this society to engage corporations both philanthropically as well as in a way that assists with the development of Purdue student-athletes beyond their time on campus.

HOW: Make an investment of \$5,000 or more to a capital project to impact the lives of the student-athletes you cheer on, see as role models, and may hire one day. By doing so, you will receive a variety of associated benefits.

MEN'S BASKETBALL SEASON TICKETS

There are two types of renewal processes used for men's basketball. The first is our standard renewal process used four out of five years. The second process is called a reseal, and it is utilized every five years.

STANDARD RENEWAL PROCESS

- 1. Current season ticket holders renew their season tickets before the deadline and can request an upgrade or additional season tickets up to their limit.
- 2. John Purdue Club members without season tickets can pay a \$100 deposit to get on the season ticket waitlist.
- 3. Season tickets not renewed by the deadline are dropped from accounts.
- 4. John Purdue Club members requesting upgrades and new season tickets are ranked by John Purdue Club Priority Points, and open seats are filled starting at the top of that list until all open seats are filled.

For the 2023-24 season, the point totals needed were as follows (depending on quantities needed):

- To obtain new season tickets: approximately 1,100 John Purdue Club Priority Points
- To obtain lower arena seats: 2,200 John Purdue Club Priority Points

Historically, it has taken even more points to acquire premium seats when they become available.

RESEATING PROCESS

We schedule a reseal every five years for all non-premium season tickets to provide a path for loyal members to improve their seating over time. We also do the reseal to provide a clear road map for recent grads and new John Purdue Club members to understand how they can obtain better seats over time, while encouraging everyone to continue to support our student-athletes over time. The last reseal took place in 2022, and the next one will happen in 2027.

The reseal process goes as follows:

- 1. All current season ticket holders are ranked by John Purdue Club Priority Points and assigned a time slot according to those rankings. Time slots are sent out ahead of the reseal.
- 2. John Purdue Club members interested in purchasing new season tickets can be added to a waitlist. New members placed at the end of the reseal process to ensure that current season ticket holders do not lose the opportunity to purchase season tickets.
- 3. Season ticket holders and those on the waitlist sign in at their timeslot and select the seats they would like from a 3D map. Payment is required at that time.

For the 2022-23 reseal, it took approximately 1,000 points to acquire seats in the lower arena. This process is subject to change based on supply and demand, renovations and other acts of God.

SCHEDULE OF RENEWAL PROCESSES				
2024	2025	2026	2027	2028
STANDARD RENEWAL PROCESS	STANDARD RENEWAL PROCESS	STANDARD RENEWAL PROCESS	RESEAT	STANDARD RENEWAL PROCESS

If you have questions or are interested in being added to the waitlists, please contact your Boilermaker Athletics Representative or the John Purdue Club at 765.494.2582.

WOMEN'S BASKETBALL SEASON TICKETS

Women's basketball season tickets are handled similarly to the standard renewal process for men's basketball, as currently there are no reseats scheduled. Season tickets and premium seating will be available for purchase during the renewal window in the summer of 2024.

To inquire about availability, please contact your Boilermaker Athletics Representative or the John Purdue Club at 765.494.2582.

BASKETBALL SEASON PARKING PASSES

Season parking passes are available for John Purdue Club members who are season ticket holders. The available lots are determined based on availability and John Purdue Club giving levels. More information will be available in tandem with season ticket information during in the summer of 2024.

MACKEY ARENA PREMIUM SEATING

The best seats in Mackey Arena are our club and courtside seats located in sections 8-11. These padded chairbacks are the most comfortable seats in the arena and grant you exclusive access to the Spurgeon Club. Courtside seats also include access to our newly renovated and luxurious Wooden Club located at the top of the player entrance tunnel.

SPURGEON CLUB

The Spurgeon Club is only accessible to club seat and courtside seat holders. Spurgeon Club is a two-story club area located on the east side of Mackey Arena and opens two hours prior to tipoff. With private restrooms, coat storage, two full cash bars, and a variety of traditional and upscale menu options, Spurgeon Club is the perfect place to meet fellow Boilermakers. Cozy up in front of the fireplace with a drink or catch other game action from around the country on one of 10 high-definition televisions.

WOODEN CLUB

The all-inclusive Wooden Club, presented by the Risk family, is exclusive to courtside seat holders and located directly at the top of player entrance tunnel leading to Keady Court. Wooden Club was designed with floor to ceiling removable windows so courtside seat holders can high-five the team as they enter Keady Court. The club features a full bar*, complimentary snacks, half-time appetizers*, enormous high-definition televisions, private restrooms, and coat storage. Upon arrival to Mackey Arena, courtside seat holders are invited to enter game day through the same tunnel the team uses for the ultimate Boilermaker experience.

**Exclusive to men's basketball based on cost. Women's basketball premium seating is available for purchase during the season ticket renewal window during the summer of 2024. Men's basketball premium seating is sold out, but if you are interested in being added to the men's basketball premium seating waitlist, please contact your Boilermaker Athletics Representative or call 765.494.2582.*

BASKETBALL SINGLE GAME TICKETS

Single-game tickets to 2024-25 men's and women's basketball games will be available for purchase online at PurdueSports.com, at the Hayes Family Athletics Ticket Office located in Mackey Arena, or by calling your Boilermaker Athletics Representative during the fall of 2024. Please monitor your inbox closely and PurdueSports.com as those on-sale dates are announced. Single-game on-sale dates are tiered based on John Purdue Club membership level.

BASEBALL TICKETS

Season ticket renewals and new sales for the 2024 baseball season began on January 17, 2024. The priority season ticket renewal deadline is February 17, 2024. Single-ticket game tickets and mini-suites will be available to John Purdue Club members on February 20, 2024. Single game tickets will be available to the general public on February 22.

VOLLEYBALL TICKETS

Due to high demand, there is currently a waitlist for volleyball season tickets. Renewals for volleyball season tickets will take place this summer, with any remaining tickets available to be allocated in July. For the 2023-24 season, it took approximately 2,100 points to move off the waitlist. If you have questions or are interested in being added to the waitlist, please contact your Boilermaker Athletics Representative or the John Purdue Club at 765.494.2582.

Operating under the umbrella of the John Purdue Club, Varsity P is for JPC members who are also athletics alumni: former varsity student-athletes, managers, coaches, athletic trainers, practice players, and spirit squad members. Alumni do not need to have lettered or graduated from Purdue to join.

We are proud of those who wore the Old Gold & Black and now choose to give back. Our athletics alumni will always be a part of our Boilermaker family, and this membership offers the opportunity to continue investing in the legacy of athletics alumni beyond their time on campus.

As we look to build upon our athletics alumni experience, Varsity P is proudly led by:
