# THANK YOU

Welcome Boilermakers!

On behalf of all our players, coaches, and support staff, I'd like to thank you for joining Purdue Basketball on the road. We always tell recruits and our current players that Purdue is a special place because of the people. Our entire program appreciates the unwavering support you and your family provide to our team and Purdue Athletics. Our Purdue Basketball family is a strong, tightly connected group and a big piece of it is the backing we get from our fans and alumni. Your generosity enables us not only to compete for championships but also to develop the young men in our program as both players and citizens.

Purdue has earned eight straight top-4 NCAA Tournament seeds entering this season, the fourth-longest streak in NCAA Tournament history. Your support continues to inspire and fuel us every step of the way. Thank you for being such an integral part of our journey and for helping us have high aspirations for success year after year.

As we look ahead to this upcoming game, everyone on this trip has one simple goal: get a victory! While you are traveling with us, we consider you an extended part of our team. Coach Painter expects all of our staff to surround our players with energy, enthusiasm, and focus. You all can play a role in this, too.

Once we arrive at the arena for the game, we expect to see everyone as engaged as the rest of our team. You will see our staff and players on the bench constantly encouraging one another, clapping during substitutions, and praising each other's effort on the court. Join us! You are part of this team, and we are in this together!

Since the 2021-22 season, Purdue has been ranked in the top 5 of the AP poll in 50 of the 81 weeks, the most in the country. That includes a national-best 14 weeks at No. 1. This success would not be possible without the dedication of fans like you. Thank you for joining us and for all you do to help us continue chasing championships as we attempt to win the B1G and beyond.

Boiler Up!

**ELLIOT BLOOM**

PURDUE MEN'S BASKETBALL DIRECTOR OF OPERATIONS
